

**POSITION AVAILABLE:** Certified Surgical Technologist (CST)

**START DATE:** September 1, 2021

**POSITION TYPE:** Part-Time to Full-Time

**SCHEDULE:** Monday – Friday, with weekend on-call rotation

Inland Orthopaedic Surgery and Sports Medicine Clinic is adding new providers and we are seeking upbeat, reliable individuals who are looking for a long-term career in the orthopaedic healthcare field. Applicants must possess a solid understanding of medical terminology, with good customer service skills and good written/verbal communication skills. While helping take care of patients, you will also be rewarded with seeing them improve. Competitive pay with generous benefit package offered, and you will have the opportunity to work in a fun, professional environment with amazing team members and physicians. The position is year round and applications will continue to be accepted until the position has been filled.

**Position Requirements:**

Applicants must have a Washington license, be willing to consider CSFA certification and be available for on-call schedule.

**Duties include:**

*Surgical First Assist Duties*

- Participates and actively assists the surgeon in the performance of surgical procedures
- Acknowledge the various steps of different operations to be able to anticipate surgeon's needs and surgeon's techniques and prepare thoroughly for cases
- Assists the operating room staff with positioning, prepping and draping of the surgical patient to the surgeon's preference
- Coordinate with surgical equipment reps and office clinical staff to make sure equipment needs will be available at time of procedure
- Ensures appropriate surgical equipment and supplies are available and sterilized specified on surgeon's preference card day of procedure
- Provides visualization for operative sites by applying appropriate methods, which include tissue manipulation, retraction, sponging, suction and irrigation
- Applying dressings to surgical wounds
- Demonstrate good knowledge of principle and practice of aseptic techniques
- Within scope of job, requires critical thinking skills, decisive judgement and the ability to work with minimal supervision
- Provide flexibility, adjust hours as needed to accommodate surgery schedule
- Participates in on call schedule
- Must be able to work in a fast paced environment
- Be able to deliver personal, compassionate care and have excellent customer service skills
- Perform other duties as required

**To Apply:**

Applicants can email their resume and cover letter to CWeaver@inlandortho.net. Your cover letter must specify why your unique skills and experience make you a good fit for working with our Inland Orthopaedic Surgery Team.
